Thanks to Tom Moss, Ralph Charman and Derek Strudwick for setting out in very tricky ground conditions which became very greasy and slippery as the laps progressed, causing a high number of retirements. The ones who did complete their classes all achieved quite close results so well done for persevering. Jonno did well on his first outing on his 300 Gasser. Thanks for supporting the trial, hopefully we will have drier conditions next time

, Please NOTE March club trial will be on Good Friday 11.00 am startwith Gest and Owls riders invited. The venue will be decided nearer the time when ground conditions can be ascertained for both parking and sections. Keep an eye on Facebook and website for updates.
