<p>Thanks to Thomas Moss, Steve Masters, Alan Peach and Alan Paton for setting out. Unfortunately due to the steepness of some sections combined with bluebell leaves, it became very slippery. Also the paths had been blocked by quite a lot of storm damaged trees which made getting between the sections difficult as well. This seemed to result in quite a few retirements. Three riders ended up sitting in the stream alongside their bikes. I know that the riders were Ok but damp, and I hope that the bikes were not too seriously damaged from their dunk in the water. I hope I have got everyone in the correct class as there were several changes of route on the day.</p> <p>The next club trial will be at Chapmans Town, again steep, but hopefully sans bluebells in mid June which should make it easier.</p> <p>The response for riders for the Team trial this Sunday met with little response, so we have only 1 team Eastbourne Endeavour comprising Tom Moss, Craig Moir and Keith Sturdwick, white, blue and red route riders respectively, who will all ride a blue route.</p> <p>Come along it's a good day out and may inspire you for next year! Or you can ride solo on the day for £20 but need ACU licence</p> <p>Regards Gloria</p>
